- 2) What you need the certified translation for:
(NOTE: If requested for a citizenship application, please clarify **where** the citizenship application is being filed).

- 3) Where the original document/s originated from (issuing State):

- 4) City of residency of the applicant:

- 5) The Authority requesting the certification:

TRANSLATIONS OF DOCUMENTS FOR THE PURPOSES OF REQUESTING ITALIAN CITIZENSHIP

PLEASE NOTE: The Citizenship Office of the Italian Consulate takes care of the translation certifications for all applicants who have applied for citizenship at our Consulate in San Francisco; in this case, the certification is free of charge, as the cost is already included in the payment of the fee required for this procedure.

If the request for Italian citizenship is filed in Italy or in another Italian Consulate in the U.S.A., the Italian Consulate located in the State which issued the original documents will simply confirm the correctness of the documents via email, but the certifications of the translation must be made in Italy by a sworn translator in a Court of Law, or by the Italian Consulate in the U.S.A. where the citizenship application is being filed.
