Declares under his/her responsibility:

- a. That they are not in a status of bankruptcy, liquidation, closure of activities, or composition with creditors or in any other analogous condition and that no proceedings leading to same are currently underway;
- b. That they have not been declared insolvent by a Court in a determination other than a decision of bankruptcy that entails, in compliance with U.S. legislation, the partial or total incapacitation to manage or dispose of assets;
- c. That there are no pending proceedings to verify a state of insolvency that may lead, in compliance with federal, state or local legislation, to a declaration of bankruptcy or to any other condition entailing the partial or total incapacitation to manage or dispose of assets;
- d. That they have not been convicted by a court of any crimes against professional conduct or of financial crimes; this affidavit must be provided also for all company management and experts and for all employees that will be used;
- e. That they have not been in the past and are not presently in default with social security contributions and other benefits due employees under U.S. law;
- f. That they have not been in the past and are not presently in default with tax and fee obligations of any nature;
- g. That they have not been convicted of financial crimes or professional misconduct;
- h. That they do not use child labor and/or other forms of trafficking in human beings.
